## Genetic Modification Statement

Rice, Tapioca, Potato Starches/Extract, Maltodextrins, and Dextrins, PenTech 8500, PenTech 3700, PenTech 7000 and PenTech 9330

Modified or Unmodified

We are pleased to affirm that the starch products you purchase from Ingredion Incorporated, manufacturing locations of Richland, WA, Idaho Falls, ID, Plover, WI, Berwick, PA, or Nakornprathom Thailand have tested negative for any genetic modification to a decision threshold of 0.1%. These plants regularly audit both starting material and finished product for Genetic Modification. All testing for GM material has been undetected. In addition to the testing we also have letters of guarantee from our suppliers stating that they do not use any GMO potato, rice or tapioca sources.

These products meet the definition of non-GM under the European Union Regulation (EC) No. 1829/2003 and 1830/2003.

Thank you for your interest in Ingredion Incorporated's products.
