Genetic Modification Statement

PenPure® 37

Unmodified Rice Starch

We are pleased to affirm that the starch product you purchase from Ingredion Incorporated, PenPure® 37, has tested negative for any genetic modification to a decision threshold of 0.1%. All testing for GM material has been undetected. In addition to the testing we also have letters of guarantee from our suppliers stating that they do not use any GMO rice.

These products meet the definition of non-GM under the European Union Regulation (EC) No. 1829/2003 and 1830/2003.

Thank you for your interest in Ingredion Incorporated's products. For more information, please contact NAQuality.Documents@Ingredion.com
